

Good for Employees and Employers. The Ultimate Win-Win.

Valar Institute at Quantic School of Business and Technology can help your business attract and retain top talent. Our Tuition Reimbursement program is the low-cost, high reward benefit that builds loyalty and improves performance.

What is Valar

Valar Institute at Quantic School of Business and Technology is an innovative, mobile-first program offering an accredited MBA and Executive MBA emphasizing strategy, leadership, and management.

During the global pandemic, Quantic founders recognized the need for a new kind of leader — individuals with the skills to succeed in the fluid, distributed, and global business environment of the 21st century. Valar Institute is the result of that quest. Join us and take the lead.

The World's Top Companies Reimburse Their Employees For Our Degree Programs.

Are you on the list?

The Degree

Students earn our accredited MBA in Leadership and Management and Executive MBA in Strategic Leadership; robust degree programs that teach management skills and core business foundations to help professionals transform their organization with fresh thinking and modern approaches to leadership.

Employer Benefits

The skills your employee acquires in the Valar MBA and Executive MBA will have an immediate impact on your business and their life — and at little cost to you.

Rigorous Education

The interactive pedagogy that powers Quantic and Valar programs teaches business and leadership skills that are instantly applicable to today's challenges. Efficacy studies have proven our platform to be as effective at teaching Accounting and Finance as business schools like Harvard, Wharton, and Fuqua.

Fast and Flexible

No relocation or hiatus required. Valar is 100% online and accessible on any device so employees learn on their schedule (and yours) and continue working full time during the 12-month program.

High ROI

Top residential programs can run upwards of \$200k and require significant time off — a burden on both employers and employees. Valar students graduate with comparable skills and expertise and at a fraction of the cost at just \$800 a month for 12 months.

Team Loyalty

Investing in your employees can pay big dividends. Tuition reimbursement is a demonstration of a company's commitment to its employees — a key benefit that helps attract, cultivate, and retain top talent.

Multiple Employee Admission Benefits

Equip your entire team with the know-how to navigate complex challenges and drive your bottomline. Select **companies that enroll multiple employers** per year **may be eligible** for volume accounts, **reducing tuition** below the published rate of \$9600 USD per student.
